ARAVIND VENKATESH

Email: aravind.v@example.com | Phone: +91 98765 43210 | Location: Bengaluru, India

PROFESSIONAL SUMMARY

Distinguished Senior Data Scientist with 6.5 years of industry experience designing, building, and deploying end-to-end machine learning and deep learning solutions in production Product environments. Proven track record of architecting scalable NLP and predictive models delivering $2.4M annualized business impact.

EDUCATION

- Master of Technology (M.Tech) in Computer Science, IIT Madras (Tier 1), CGPA: 9.2/10.0 (2017 - 2019)
- Bachelor of Technology (B.Tech) in Computer Science, NIT Trichy (Tier 1), CGPA: 8.9/10.0 (2013 - 2017)

CORE COMPETENCIES & TECHNICAL SKILLS

- Programming & Libraries: Python, Pandas, Scikit-Learn, PyTorch, TensorFlow, SQL
- Machine Learning & AI: Machine Learning, Deep Learning, NLP, Statistics, Data Visualization
- Cloud & MLOps: AWS (SageMaker, S3, EC2), Docker, Git, CI/CD, MLflow
- Databases: PostgreSQL, MongoDB

PROFESSIONAL EXPERIENCE

Senior Data Scientist | FinTech Innovations, Bengaluru | 2021 - Present (3.5 years)

- Spearheaded the development of a real-time transformer-based fraud detection pipeline processing 45M transactions daily.
- Optimized gradient-boosted decision trees and neural networks, improving precision by 24% while maintaining sub-15ms latency.
- Mentored a high-performing squad of 5 junior data scientists and ML engineers.

Data Scientist | Analytics Matrix, Bengaluru | 2019 - 2021 (3.0 years)

- Developed customer lifetime value and churn prediction models utilizing XGBoost and survival analysis on AWS.
- Created interactive dashboards using Tableau and Matplotlib for executive leadership.

PROJECTS & PUBLICATIONS

- 7 enterprise production projects completed successfully.
- Published 2 technical papers in peer-reviewed IEEE conference proceedings on neural ranking and representation learning.
- 3 recognized certifications including AWS Certified Machine Learning - Specialty and DeepLearning.AI Specialization.

ADDITIONAL DETAILS

- Notice Period: 30 days
- Employment Gap: 0 months
- Expected Compensation: 28 LPA
